

NEWS OF CITY AND COUNTY CONDENSED

Mrs. T. Denby has returned from Jacksonville, where she has been for the past several weeks, and will reopen her music class in a few days. Mr. Denby accompanied her home but will return to Winter Garden today, where he is engaged in truck growing.

B. T. Schafer and sons returned last night from Port Orange and other points on the East Coast, where they have been enjoying life for the past two weeks. Mr. Schafer, who is proprietor of the Keystone Bakery, has been working steadily for some time, and the vacation proved of great benefit to him.

John Entenza, the cigar manufacturer of Waldo, was in the city yesterday. Mr. Entenza, who is making one of the best lines of cigars in the state, proposes to demonstrate at the Tampa State Fair what can be produced in this direction in Alachua county. He will take a large quantity of material to Tampa, and during the fair will keep a couple of cigar makers busy in the Alachua county exhibit.

Rev. Ira Barnett of Sutherland, financial agent of the Florida Seminary and one of the most eloquent ministers in the state, has been in the city for the past two or three days in the interest of the Seminary, which he declares has the best prospects of any year since its existence. Mr. Barnett was extended the courtesy of the pulpit at the Methodist church Sunday morning and delivered an impressive sermon to a large congregation.

George F. Weston, for the past eight years superintendent of the famous Blimere farm, Blimere, N. C., arrived in the city yesterday. He was met by N. A. Callison of Spring Park Farm, Bennington, of whom he will be the guest for the next few days. Mr. Weston is one of the most thoroughly posted men on cattle in the United States. He has spent the majority of his years in that business, and his opinions are highly regarded by the best authorities.

The revival which has been in progress at Friendship Baptist Church, colored, for the past two weeks, closed Sunday night, when several new members were immersed. The revival has been quite successful, a great many conversions to the church having been made. The meetings have been largely attended by white friends of the church, for whom a special space in the gallery was provided, and the congregation seemed to appreciate their presence, as it lent encouragement to the work.

Mrs. Maretha C. Brooks, teacher of experience, and of the most modern methods, wishes to form classes in piano, organ, technique, modulation, phrasing, voice culture, and the art of singing. Special attention given to the healthful development of the body, which the thorough study of voice culture insures. Foundation work given to small classes at reasonable rates. References: Rev. S. B. Thousands Have Kidney Trouble and Never Suspect It.

How To Find Out.
Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What To Do.
There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

PURE BLOOD INSURES A CLEAR SKIN

When Eczema, Acne, Tetter, Pimples, or other skin diseases make their appearance it is a sure sign that the blood is filled with humors and burning acids. These being forced through the pores and glands burn and blister the skin, producing the eruptions which are usually accompanied with intense itching, and are disfiguring and humiliating.

Years ago my blood was bad, as evidenced by skin eruptions on different parts of the body, and other symptoms, so I concluded to try S. S. S., knowing it to be highly spoken of. After using a number of bottles—do not remember now just how much—my blood was thoroughly purified and enriched and I was relieved of all eruptions and manifestations of impure blood. I believe S. S. S. to be an excellent blood medicine, and any one in need of such a medicine would do well to use it. They will find it a perfect cure as it proved to be in my case.

MRS. C. E. SHOEMAKER.
Alliance, O., 516 E. Patterson St.

While external treatment relieves temporarily it does not reach the real cause of the disease, because it does not go into the blood. S. S. S., a perfect blood purifier, neutralizes these acids and humors, and by strengthening and toning up the Liver, Kidneys and Bowels, the natural channels of bodily waste, disposes of them instead of allowing them to be forced to the surface through the skin. S. S. S. is the greatest of all tonics for building up the entire system, increasing the appetite and helping the digestion. S. S. S. cures all skin diseases promptly and permanently, leaving the skin soft and smooth. Only by keeping the blood pure can we hope to have a clear skin. Book on Skin Diseases and any medical advice you may wish free of charge.

AN EXCITING EXPERIENCE.

E. Fredericks of Chicago Nearly Killed in Ascending Vesuvius.

A recent issue of The Chicago World contains a most thrilling account of the experience of E. Fredericks of that city, who was the last tourist to make the ascent of Vesuvius.

Mr. Fredericks is a warm personal friend of William Winner of Chicago, who is now making his home in Gainesville.

The World states that Mr. Fredericks, who is traveling on the Continent, joined a party for the ascent, which is ordinarily regarded as a dangerous undertaking. A courier warned the party of the danger, as the fiery mountain was in action; but as thirty minutes elapsed between the eruptions, Mr. Fredericks determined to risk it alone, his companions having refused. Native guides assisted him to a sedan chair and he started, but the guides delayed matters on the way and asked for a bottle of wine, urging him to drink. The delay was so great that Vesuvius again began to boil sufficiently to throw hot lava over the crater. Mr. Fredericks, placing the sedan chair over his head for protection, fled. The ascent was extremely difficult, during which Mr. Fredericks came near losing his life several times. When he reached the base of the volcano he was taken to a hotel, where he remained unconscious for several hours.

Shepherd Held on Bond.

Abraham Shepherd, who was arrested a few days ago by United States revenue officers near Mikesville upon a charge of owning and operating an illicit distillery, and who was arraigned before Commissioner Locke in Jacksonville, was required to give a bond of \$250 for his appearance at the fall term of the United States Court in Jacksonville. The bond was promptly secured and the defendant released.

It is said that the officers did not find the still in operation, but that a quantity of "skimmings" was found, which will be sufficient evidence that the still had been working. The outfit comprised a fifteen-gallon wash-pot, with all appliances of a regular still.

Shepherd is reported to have plenty of money, as it is alleged this still has been in operation and enjoying a fine business for some time.

Attorney C. C. Thomas of this city represented Shepherd.

Men Past Sixty in Danger.

More than half of mankind over sixty years of age suffer from kidney and bladder disorders, usually enlargement of prostate gland. This is both painful and dangerous, and Foley's Kidney Cure should be taken at the first sign of danger, as it corrects irregularities and has cured many old men of this disease. Mr. Rodney Burnett, Rock Port, Mo., writes: "I suffered with enlarged prostate gland and kidney trouble for years, and after taking two bottles of Foley's Kidney Cure I feel better than I have for twenty years, although I am now 61 years old."
